Docket No. 98N-1265 MAY 11 10:08
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I am opposed to the draft M.O.U. &
especially the inordinate amount because
without this medication I am miserable. The
services I'm offered through specialized
pharmacies helps me with my everyday
quality of life, therefore without these
pharmacies I wouldn't be a very different
person. Please Do NOT draft M.O.U.
